## The Four B's of SOL Success

### BEGIN WITH BREAKFAST

Begin every morning with a healthy breakfast. Some great ideas for a beneficial breakfast would be fruits, proteins, juice, and whole grains. Avoid sugar if at all possible.

### BEING PRESENT

Being present at school means more than just showing up. Being present means being engaged in the lesson, giving your best effort, and showing your work in math and proving your answers in reading.

### BELIEVING IN YOURSELF

Success begins with an optimistic mindset. Whatever you believe - you can achieve. Think positively.

### BOUNDING TOWARD BEDTIME

Go to bed at a reasonable time each night. Your body needs rest - so give it some!
